Valley View
Learning Neighbourhood 1

The first FIRE EDUCATION session was a huge success. All the children were told how to ring 000 and ask for help in an emergency. However many children do not know their full address, this might be a good holiday project that you could do with your children.

Monday 10th December is the second FIRE EDUCATION sessions that the students in grade Prep will be involved in. The firemen will be at school at 10.00am, unless they are called away to attend an emergency, and will have their Fire Truck and a great show and Tell experience.

Our children have working very hard on their festival items for Friday an are very excited about the festival. TOMORROW IS A CASUAL CLOTHES DAY FOR THE FESTIVAL. The children will be dismissed at 2:30, and the buildings will be closed. All staff will be at the festival manning stalls and helping out students.

Next Tuesday’s specialist; The students in grade Prep have PE. The students in the Laughing Lions group have ART and the students in Amazing Ants have MUSIC.

Laugh, Read, Count.
Learning Neighbourhood One Team.

Learning Neighbourhood 2

Students are busily preparing the final touches to their ‘Light Fantastic’ toys as we get close to our Broadmeadows Valley Primary School Toy Fair. We would like to invite all of our Learning Neighbourhood 2 parent community to attend this event as a celebration of our students’ learning and to celebrate what has been a fantastic year in Learning Neighbourhood 2. As well as our students, Learning Neighbourhood 1 & 3 will also be showcasing their toys which will make it a whole school event. The event will be held in the Multi Purpose Hall on Monday 17th December from 9:30 – 10:30am.

Learning Neighbourhood 2 has been abuzz with music and dance rehearsals all week in preparation for their performances at the Dimboola Road Festival. Each home group will perform a dance from 4:00pm onwards. We hope to see all of our Learning Neighbourhood 2 families cheering our students on. As well as this Mr Tovey has been rehearsing busily with the rock band and acoustic band that contains several Learning Neighbourhood 2 students, who will also be performing at the festival. We look forward to catching up with all of our parent community for a chat.

Over the next two weeks on Friday mornings our Year 4 students will be teaming up with the Year 5 students to start practicing for Interschool Sports in 2013. Each week students will rotate between two two sports which means they’ll all have had a taste of the different sports on offer.

Swimming over the past couple of weeks has been a roaring success. All of our Learning Neighbourhood 2 students have thoroughly enjoyed the sessions and more importantly learnt some extremely important life skills.

Joel Wilson-Martin said a highlight of his was getting to jump in the pool with life jackets on.

Have a great time at the festival!

LNZ Team

Learning Neighbourhood 3

Next Tuesday (11th of December) most of our Grade 6 students who are attending a government school in 2013 will be spending the entire day at their Secondary College Transition Day. Your child is required to wear the Broadmeadows Valley Uniform on that day.

Last week all Year 6 students took home their Graduation Dinner and Ticket Form. The form explains the overview for the evening. As well, there is a section for all families to indicate their amount of seats they would require for the night. Please understand the venue has a limited capacity, so if we can only sell each family only request 5 seats. Next week, your child will be allocated the authorised amount of tickets. It is very important to bring along your ticket before entering.

An important reminder, for all netbook users, is that this time of year for collection of all netbooks, chargers and cases to be brought back to the ICT Specialist Team. If your child has missed placed or lost any of the items, a fee of $100 may be issued as mention in the contract that was signed at the beginning of the year. If you have concerns in relation to your child’s netbook, please contact Mr Montalto (Neighbourhood Leader) to discuss the issue.

The last day for collection of netbooks is the 10th of December.

The Grade 4s and 5s of 2012 will be working together in the next coming Friday morning’s developing skills and living the team spirit for interschool sports. Mr Youlton has developed a training program that will prepare our students for next year’s sporting challenges. Let’s get rocking B.V.P.S!!

We hope to see all families from UNY3 coming along to this year’s Dimboola Festival. Each year it gets bigger and bigger. Come along and support your child as they will be involved in a class performance which will be a real treat.

At Broadmeadows Valley Primary, we rock and roll with the best of them!

Learning Neighbourhood 3 Team

Hume City Carols By Candlelight 2012

The Broadmeadows Valley Primary School Acoustic Band have been invited to perform two songs at the annual Hume City Carols By Candlelight concert on Sunday 9th December at Highgate Reserve, Craigieburn. This wonderful community event will be hosted by Tim Campbell (from Home and Away and Dancing with the Stars) and will also feature local talent and other special guests. This free event provides entertainment for the whole family. Bring along your picnic rugs, sit under the stars and sing along to the pleasant carols. The evening will end in a spectacular fireworks display. This is a fantastic opportunity to support our students while they share their talent and hard work with the wider community.

Hume City Carols By Candlelight 2012
Highgate Reserve, Craigieburn
(Melways Map: 386, J3)
