

Valley View

Hello everyone,

I've just thrown my last pair of shoes into the suitcase before my husband notices!! We're off to Sicily today and looking forward to a lovely break in the sun and heat, but before I board I'd like to share with you some final messages for the term.

ANOTHER TERM OVER

A very big thank you to all the families who have continued to support us throughout this term. Term 3 always presents a challenge for students and teachers to remain healthy during the cold winter months. We have now reached the end of the term and the holidays will enable all of us to recharge and relax in preparation for term 4. A term that is SUPER busy with learning but all the other events that we have to celebrate another successful year at BVPS.

Teachers, schools and students all perform more effectively when parent support is at its highest. We encourage you to continue in your unrelenting support of us and your children.

RETIREMENT & FAREWELL

Mrs. Michelle Reid has been a founding member of staff at BVPS and has made significant contributions to many families. She has worked tirelessly throughout her career ensuring that all aspects of student wellbeing are catered for. Michelle has forged many relationships with many families here at BVPS. She has assisted with a range of demands, requests, submissions, new programs and changes to student wellbeing approaches. Michelle's ability to get the work done is second to none and she has been a reliable and committed staff member.

I'm inviting all of our families that have worked with Michelle, families that have been supported unconditionally by her and families that have always been listened to, to come and say goodbye before the end of term.

We wish Michelle all the very best for a happy and healthy retirement.

GRADE 3 / 4 CAMP

I know in next week's addition of the newsletter there will be many photos of the

Gr 3 / 4 camp. I have had photos sent to me of children thoroughly enjoying their time away. The many and varied activities have enthralled them all and I did happen to notice that someone did fall out of the canoe!!

A great effort by all staff for the organization and commitment in providing this program to our students.

I look forward to hearing the stories when I return.

I wish you all a great holiday break with your children, refresh, relax and have fun and ready for Term 4.

Kind regards

Carmela

Notice Board

BREAKFAST CLUB 2016

Please note that the last day for Breakfast Club 2016 will be Friday 16th December. A limited menu will be available up until this date as new food stock is not being ordered at this stage.

Many thanks to all the students, staff, parents and school community helpers who have supported the Breakfast Club Program this year. It is anticipated that this program will again operate in 2017 with the start date being announced as soon as it becomes available.

With kindest regards to all,

Broadmeadows Valley Primary School Breakfast Club Team
