

Hello and welcome to the final Valley View of 2017,

I would like to begin by thanking everyone for their wonderful contribution to our children's school. Everything that we do at BVPS is aimed at providing our students with the very best opportunities available. As we look back on 2017, we can be very pleased with all that we have achieved. The school has continued to grow in every sense and the precious contribution of the parents, staff and teachers must be acknowledged. It is because of these contributions that we continue to grow and develop ensuring our continued success.

We are looking forward to 2018 being even better again.

We will be saying goodbye to some staff at the end of the school year, some of them founding members of the school community. Mr Julian Tovey has been with us since day 1, will be moving onto another teaching role as will Ms Sarah Pinder, Abigail Ho and Shayne Farrugia. Nicole O'Meara is leaving our shores and heading to Singapore, working in the International School.

We wish them all the very best in their new schools. I would like to thank these staff members for their terrific contributions to the learning growth of our students.

I would also like to farewell our families that are moving out of the area and starting at new schools in 2018. We wish you all the very best for continuing to support your children's education and school.

Thank you for being a part of our school.
