### House Spirits

Our House Spirits Team have been building their knowledge around how a school house system works through participating in workshops run at BVPS. We are excited to bring to our school a meaningful way to promote and engage our school community in making strong connections to our House system.

The House Spirits Team is working at bringing fun shared experiences to establish friendships and build a strong united team spirit at BVPS. Students will be participating in activities run by our House Spirits Team later this term. We will provide further information closer to the events which can be found on the noticeboard near the BVPS Cafe.

Introducing our House Spirits Team:

## Student Support Group Meetings

Thank you to all of the parents and carers who attended the Student Support Group meetings. Our staff reported back that these meetings were very positive, and we appreciate your contributions because you are the expert on your child/ren and know them best.

These important meetings are a partnership between our school and our families and bring together everyone involved in a student's education to talk about their wellbeing and learning goals, discuss the adjustments that are needed to meet the child's needs and celebrate the achievements of the child.

Student Support Groups include the student's parent/s or carer/s, teacher and often another school staff member from the Wellbeing or Leadership teams. They can also include a support person for the parent, allied health workers who are involved with the student's care (such as an Occupational Therapist, Psychologist or Speech Therapist) and the student themselves (if appropriate). For our Koorie students, we also invite the input of our Koorie Educational Support Officer.

Student Support Group meetings are held for all students who are on the Program for Students with Disabilities (PSD), our Koorie students, as well as some students with additional needs. If your child has a disability or additional needs, you can ask the school for an SSG.

The Association for Children with a Disability has some helpful information regarding SSG meetings on their website: <https://www.acd.org.au/student-support-groups/>
