

## ATTENDANCE POLICY

### PURPOSE

Government schools are required to have an Attendance Policy in accordance with the Education and Training Reform Act 2006 (Vic). Parents/carers must enrol a child of compulsory school age, 6 to 17 years of age, at a registered school and ensure the child attends school at all times when the school is open for instruction.

The purpose of this policy is to

- ensure all children of compulsory school age are enrolled in a registered school and attend school every day the school is open for instruction
- ensure students, staff and parents/carers have a shared understanding of the importance of attending school
- explain to school staff and parents the key practices and procedures Broadmeadows Valley Primary School has in place
- support, monitor and maintain student attendance; and record, monitor and follow up student absences.

### SCOPE

This policy applies to all students at Broadmeadows Valley Primary School (BVPS). This policy should be read in conjunction with the Department of Education and Training's [School Attendance Guidelines](#). It does not replace or change the obligations of BVPS, parents and School Attendance Officers under legislation or the School Attendance Guidelines.

### DEFINITION

**Parent:** Includes a guardian and every person who has parental responsibility for the child, including parental responsibility under the *Family Law Act 1975* (Cth) and any person with whom a child normally or regularly resides.

### POLICY

Schooling is compulsory for children and young people aged from 6 to 17 years (unless an exemption from attendance or enrolment has been granted).

Daily attendance is important for all children and young people to succeed in education and to ensure they do not fall behind both socially and developmentally. School participation maximises life opportunities for children and young people by providing them with education and support networks. School helps people to develop important skills, knowledge and values that set them up for further learning and participation in their community.

Students are expected to attend Broadmeadows Valley Primary School during normal school hours every day of each term unless:

- there is an approved exemption from school attendance for the student
- the student has a dual enrolment with another school and has only a partial enrolment at Broadmeadows Valley Primary School, or
- the student is registered for home schooling and has only a partial enrolment at Broadmeadows Valley Primary School for particular activities.

Both schools and parents have an important role to play in supporting students to attend school every day.

BVPS believes all students should attend school all day, every day when the school is open for instruction and is committed to working with its school community to encourage and support full school attendance.

BVPS staff will identify individual students or cohorts who are vulnerable and whose attendance is at risk and/or declining and will work with these students and their parents to improve their attendance through a range of interventions and supports.

BVPS students are encouraged to approach a teacher and seek assistance if there are any issues that are affecting their punctuality or attendance.

Broadmeadows Valley Primary School parents are responsible for ensuring their child/children attend school on time every day when instruction is offered, they are encouraged to communicate openly with the school about any issue, including school refusal or any other concerns that could affect their child's attendance. Parents/Carers will work with school staff to address any concerns.

Parents will provide a reasonable explanation for their child's absence from school and endeavour to schedule family holidays, appointments and other activities outside of school hours.

## **Supporting and Promoting Attendance**

Broadmeadows Valley Primary School's policies relating to *Child Safe Standards* supports student attendance. Our school also promotes student attendance by:

### **1. Recording Attendance**

Broadmeadows Valley Primary School must record student attendance twice per day. This is necessary to:

- meet legislative requirements
- discharge Broadmeadows Valley Primary School's duty of care for all students

Attendance will be recorded by the supervising class teacher at the start of the school day and after lunch and forwarded to the general office for processing.

If students are in attendance at a school approved activity, the teacher in charge of the activity will record them as being present.

### **2. Recording Absences**

For absences where there is no exemption in place, a parent must provide an explanation on each occasion to the school.

Parents should notify BVPS of absences by:

- Contacting the General Office whether it is a planned or unplanned absence
- If a student is absent on a particular day and the school has not been previously notified by a parent, or the absence is otherwise unexplained, BVPS will notify parents by SMS/push notification message, email/telephone/other method of notification. Broadmeadows Valley Primary School staff will

attempt to contact parents as soon as practicable on the same day of the unexplained absence, allowing time for the parent to respond.

If contact cannot be made with the parent/carer (due to incorrect contact details), the school will attempt to make contact with any emergency contact/s nominated on the student's file held by the school, where possible, on the day of the unexplained absence.

BVPS will keep a record of the reason given for each absence. The principal will determine if the explanation provided is a **reasonable excuse** for the purposes of the parent meeting their responsibilities under the *Education Training Reform Act 2006* and the School Attendance Guidelines.

If BVPS considers that the parent has provided a **reasonable excuse** for their child's absence the absence will be marked as '**excused absence**'.

If the school determines that no reasonable excuse has been provided, the absence will be marked as '**unexcused absence**'.

The Principal has the discretion to accept a reason given by a parent for a student's absence. The Principal will generally excuse:

- medical and dental appointments, where out of hours appointments are not possible or appropriate
- bereavement or attendance at the funeral of a relative or friend of the student
- school refusal, if a plan is in place with the parent to address causes and support the student's return to school
- cultural observance if the parent/carer notifies the school in advance
- family holidays where the parent notifies the school in advance

If no explanation is provided by the parent within 10 school days of an absence, it will be recorded as an 'unexplained absence' and recorded on the student's file. Parents will be notified if an absence has not been excused.

### **3. Managing Non-Attendance and Supporting Student Engagement**

Where absences are of concern due to their nature or frequency, or where a student has been absent for more than five days, BVPS will work collaboratively with parents, the student, and other professionals, where appropriate, to develop strategies to improve attendance, including:

- establishing an Attendance Student Support Group
- implementing a Return to School Plan
- implementing an Individual Education Plan
- implementing a Student Absence Learning Plan for students who will be absent for an extended period
- arranging for assistance from the Student Wellbeing Leader

The school understands that from time to time, some students will need additional support and assistance, and in collaboration with the student and their family, we will endeavour to provide this support when it is required.

#### **Referral to School Attendance Officer**

If BVPS decides that it has exhausted strategies for addressing a student's unsatisfactory attendance, we may, in accordance with the School Attendance Guidelines refer the non-attendance to a School Attendance Officer based in the Regional Office for further action.

If, from multiple attempts to contact a parent, it becomes apparent that a student will not be returning to the school, the principal may make a referral to a School Attendance Officer if:

- the student has been absent from school on at least five full days in the previous 12 months where: the parent has not provided a reasonable excuse for these absences; and
- measures to improve the student's attendance have been undertaken and have been unsuccessful
- the student's whereabouts are unknown and:

- the student has been absent for 10 consecutive school days; or
- no alternative education destination can be found for the student.
