

What's been happening...

Life at OSH Club – Recent & Upcoming Fun!

It's been a fun and hands-on couple of weeks at OSH Club! The children had a blast making their own slime, exploring textures and creativity in the process. We also carried out a fascinating germ experiment to highlight the importance of handwashing—an engaging way to combine learning with fun. This week we celebrated Father's Day in style! The children made delicious chocolate balls and heartfelt Father's Day cards, which were shared as part of a lovely afternoon tea with dads and families. It was a wonderful chance to connect and celebrate the special people in our lives.

Looking ahead, we're excited to jump into **Book Week** next week! We'll be celebrating our love of reading through themed activities, storytelling, and dress-ups, so stay tuned for some imaginative adventures. The following week, we're proud to be opening our doors for an **OSH Club Open Day**, where the school community can come in, explore our space, and learn more about what we do. We're looking forward to welcoming new faces and sharing all the wonderful things that make our OSH Club special!

Osh Club will be operating from 1:00 pm till 6:30 pm.

Special Announcements

OSH CLUB OPEN DAYS!

We're excited to announce our upcoming **Open Days on the 17th and 18th of September!** Our doors will be open to the school community, giving families the chance to experience what a day at OSH Club looks like and see all the fun, learning, and care we have to offer. It's a great opportunity for anyone curious about our program—so feel free to spread the word and invite friends or family who might be interested!

Quality Area Reflection

Quality Area Reflection – Quality Area 1: Educational Program and Practice

This month, we've focused on providing meaningful and engaging learning experiences that support children's curiosity and development. Activities like our slime-making and germs experiment encouraged hands-on learning and critical thinking, while our Father's Day crafts and afternoon tea promoted creativity and family connection. These experiences align with Quality Area 1 by supporting children's agency, interests, and strengths through a play-based approach. We're proud to provide a program that nurtures both learning and fun in a safe, inclusive environment.

Club News

Dates to Remember at OSH Club

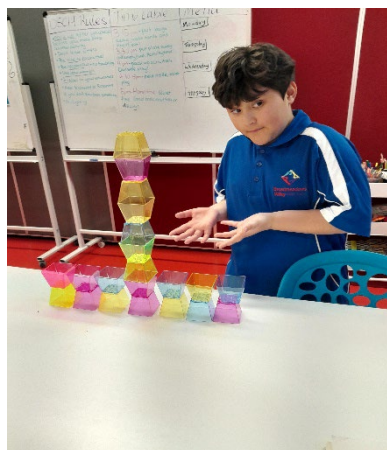

As we move closer to the end of term, we have a few exciting events and reminders to share! On **Tuesday 10th September**, we'll be holding a **Storytime Picnic** to celebrate Book Week. Children are encouraged to bring along their favourite book character (in toy form!) or a soft toy to join us for stories and outdoor fun. Then on **Friday 12th September**, it's time to dress up for the **Book Week Parade!** We can't wait to see all the creative and colourful costumes that come through – it's always a highlight for both the children and educators.

A quick reminder for the final day of term – **Thursday 19th September**. As school finishes early, OSH Club will be operating from **1:00pm to 6:30pm** to accommodate the change in schedule. Please ensure your bookings are up to date if your child will be attending. We're looking forward to ending the term on a high note with plenty of fun, laughter, and stories to share!

Coordination Corner

What a wonderful few weeks we've had here at OSH Club! It's been fantastic to see the children so engaged in activities that spark creativity, curiosity, and connection—whether it was making slime, learning about germs, or proudly creating special Father's Day gifts. A big thank you to our families for your ongoing support and involvement, especially during our Father's Day afternoon tea. We're also looking forward to welcoming new faces during our Open Days and celebrating the magic of stories throughout Book Week. As always, if you ever have questions, ideas, or just want to chat, feel free to come say hi—the team and I are always here to help!

Recipe

Fluffy Slime Recipe

Ingredients

- 2/3 Cup White Elmer's Glue
- 1/2 Teaspoon Baking Soda
- 1/4 Cups Shaving Cream
- 1.5 Tablespoons Contact Solution - MUST contain boric acid and sodium borate In Ingredients.
- Food Coloring

Instructions

1. Add white glue to a bowl
2. Add water and baking soda then mix
3. Add shaving cream then mix. The more shaving cream you add, the fluffier it will become.
4. Add food coloring until you are happy with the color.
5. Slowly add in the contact solution.
