

SCHOOL PURCHASING CARD POLICY

PURPOSE

The School Council is responsible for the financial management of the school. School Council ultimately confirms and acknowledges transaction revenue and expenditure by prior approval or ratification. The introduction of the school purchasing card impacts on the School Council, as it represents another means of acquiring goods and services for the school. A school's decision to apply for and use a school purchasing card is not intended to replace the existing purchasing practices. A school purchasing card is optional and offered as an enhancement to current methods, it is up to each school to determine if a purchasing card is required.

At the time of developing this policy, Broadmeadows Valley Primary School (BVPS) does not operate nor has applied for a school purchasing card. Hence, the purpose of this policy is to communicate that BVPS does not operate a purchasing card. If, in the future, BVPS determines a purchasing card will be required, this policy will take effect.

SCOPE

This policy relates to School Council and the financial management of the school, the school principal, business manager and other related stakeholders. A school purchasing card may be authorised by School Council to purchase goods, services, equipment or material for school use. The School Council may authorise school-based staff to be issued with a purchasing card to purchase goods, services, equipment or material using this card. This card is a VISA card from the Westpac Bank.

POLICY

POLICY IMPLEMENTATION GUIDELINES

- The School Council determines which personnel will be eligible to obtain the school purchasing card.
- The School Council and Principal determine the expenditure limit for each cardholder and provide financial delegation to this upper limit
- School Council after advice from the Principal; appoint an Authorisation Officer. Where the Principal is the cardholder, the School Council President must be the Authorisation Officer for that card.
- The Business Manager will be appointed as the Administration officer and ensures the efficient and effective administration of the school purchasing card.

- The Business Manager will maintain a Cardholder register which includes the following details:
 - The name and position of each Cardholder.
 - The date the “Undertaking by the Cardholder” was signed.
 - A copy of the signed “Undertaking by the Cardholder”.
 - The maximum monthly limit applicable to each School Purchasing Card.
 - The maximum limit on individual transactions applicable to each School Purchasing Card.
 - The restrictions (if any) imposed on the types of goods, services, equipment or material which can be purchased using each School Purchasing Card.
 - Any amendments to a Cardholder’s details or the School Purchasing Card details (including, for example, upon a new or replacement card being issued)
 - The date a Cardholder’s authority to use the School Purchasing Card was terminated and the date the School Purchasing Card account was cancelled or closed; and
 - An ‘Undertaking by the Cardholder’ is completed by each user annually.

- All approved purchasing card holders receive a briefing on the use of the card
- The cardholder’s names, card details and limits are minuted at School Council at the first School Council meeting of each year
- All documents relating to these purchasing cards are kept in a secure and locked environment
- Monthly purchasing card statements to be attached to the relevant CASES21F reports are tabled and minuted at School Council.
- Ensure that all Westpac Visa cards and DET purchasing card procedures and controls are met.
- The cardholder and Authorisation Officer for audit requirements must sign the Westpac bank statement.
- The school purchasing card carries a liability for school council – not an individual liability for the cardholder. Therefore, the school purchasing card does not impact on a cardholder’s personal credit rating.
- Details of the school’s Official Account, for monthly debit of transactions and charges, will need to be provided. This becomes the authorisation for the direct debit (“sweep” from official account to purchasing card).
- The settlement must be paid through CASES21 Creditors module with Westpac established as a creditor and all invoices listed for payment, in the month, against the creditor. Settlement period is 10 calendar days from the end of the billing cycle, i.e., the school must finalise data and ensure sufficient funds are available in the Official Account, for the direct debit “sweep” of the closing credit balance by Westpac.
- The School Principal is to complete and return the Annual Letter of Assurance document certifying the appropriate school purchasing card usage, in accordance with DET Purchasing Guidelines. The Annual Letter of Assurance will be distributed by DET Financial Services Division for reporting as at 30 June each Financial Year
- Cardholders must maintain a “Cardholder’s Activity Report” to assist in reconciling the items listed on the monthly card statement along with supporting documentation. The reconciliation should be completed in sufficient time for pre-arranged monthly payment of the card balance.
- A school council must implement or arrange for the implementation of appropriate procedures whereby:
 - Cardholder does not authorise his or her own expenditure.
 - All proposed expenditure is approved by the Authorisation Officer upon completion of a school purchase order by the Cardholder; and
 - All expenditure approved by the Authorisation Officer is reported to, and subsequently accepted by, the school council.

- A school council must implement or arrange for the implementation of suitable procedures to ensure that:
 - A Cardholder may only use the School Purchasing Card in connection with proper school purposes, regardless of: (i) the amount of the transaction involved; and (ii) the manner in which the transaction is affected (i.e., by telephone order, mail, electronically or other means); and
 - A Cardholder does not use the School Purchasing Card for the payment of personal expenses, personal travel expenses or other expenditure unrelated to proper school purposes.
- Where a school council authorises the issue of a School Purchasing Card to a Cardholder, the school council must require a Cardholder to comply and adhere to the conditions of use for the purchasing card including:
