Here's the latest news to keep you and our community of parents up to date on the latest happenings at our school.

PRINCIPAL MESSAGE

Hello everyone,

What a great week to come back to school! The weather has been fantastic, and the students have returned from the break with learning on their mind. The newly installed **AIR CONDITIONERS** have had a work out and have kept students and teachers cool on the hot days and more importantly have enabled the learning to continue without any discomfort from the heat.

The beginning of a new school year brings with it great excitement and anticipation. What a fantastic sight to see this week our learning community out in full force supporting our students, catching up with each other and meeting new people.

A warm welcome is extended to all our children and families and those who are joining our learning community for the first time this year. The teachers of Broadmeadows Valley Primary school have prepared and planned the learning together and have some wonderful opportunities organised for your children. We can guarantee that your child's learning needs will be catered for throughout the year. They will be challenged and supported to achieve optimum results.

There will be many occasions throughout the year when you will be invited to participate in activities with the children and the teachers look forward to your involvement.

Communication is very important between home and school. We encourage parents to contact teachers, leadership staff or the front office with any enquiries, concerns or information. We are all keen to support you and be available to discuss the learning of your children.

Together we can make a positive difference.

Have a great term!

Regards Carmela

COME TO SCHOOL EVERY DAY

SCHOOL STARTS AT 9.....

DON'T BE LATE

WE LOVE TO SEE YOU EVERY DAY

SUN SMART

Please wear your hat at school.

SCHOOL COUNCIL

School Council elections will be taking place in the next few weeks. Our next meeting will farewell some parent and teacher members who have so diligently represented you all in this forum.

Parent representatives on School Council are highly valued and respected. They offer a parent perspective on all decisions, policies and procedures that are presented. They are parents who are willing to support our work by positively promoting the school, giving up their time to support programs or special events and more importantly to provide us with feedback about how we are meeting the needs of our community.

If you would like to be a School Councillor or you are thinking about it, come and have a chat with me. I'll welcome all enquiries and support you to be on our next council.

COMMUNITY NEWS
